

After 33 Years the Furman Gazette releases a new issue! San Jose, CA -- September 2022

After a very long 33-year wait we are now happy to release a new issue of the Furman Gazette.

A lot of things have happened over the years, but one thing has not changed. We still love our CoCo's. We hope you enjoy this issue and all the great new content.

We also hope you enjoy Mikey's #SepTandy VLOGs.

My native country, thee,
Land of the noble free,
Thy name I love to see,
Thy woods and rocks and hills,
Thy streams and fields and hills,
Like that above.

God Save The King
Standard Version c. 1745
=====

O Lord our God arise,
Scatter his enemies,
And make them fall;
Confound their Politics,
Frustrate their knavish tricks,
On three our hopes we fix:
God save us all.
